## BIBLE RECOGNITION

**Acts 9:36-39**

36. At Joppa there was a certain disciple named Tabitha, which is translated Dorcas. This woman was full of good works and charitable deeds which she did.
37. But it happened in those days that she became sick and died. When they had washed her, they laid *her* in an upper room.
38. And since Lydda was near Joppa, and the disciples had heard that Peter was there, they sent two men to him, imploring *him* not to delay in coming to them.
39. Then Peter arose and went with them. When he had come, they brought *him* to the upper room. And all the widows stood by him weeping, showing the tunics and garments which Dorcas had made while she was with them.

*Work while it is day,  
the night cometh...*
